A Special Surprise

I've got ANOTHER free report in the works that I'm going to share with you next week -- *Silver Surfing Part Two: The Single Best Silver Stock You Can Buy Now*.

You'll learn all about a tiny company down south that's sitting in one of the world's richest silver districts -- and could soon be in control of 500 million ounces of silver!

Make no mistake, many investors will be kicking themselves when they discover what they missed out on. But not you.

In fact, you'll even have the opportunity to meet representatives from this company when you join me at the [2008 New Orleans Investment Conference](#).

Of course, we'll be talking about much more than silver at the Conference -- you'll learn all about how to **profit big** from alternative energy, currencies, bonds, hedge funds and more!

And, of course, we'll cover all of the richest opportunities in precious metals, commodities and mining stocks that you've come to expect.

PLUS -- you'll discover actionable strategies to protect your wealth from Washington's upcoming assaults.

In short, this year's Conference is going to be a powerful one-two punch for your financial freedom.

Find out all about it [here](#)!

Yours In Prosperity,

Brien F. Lundin
